

# Delaware County Antique Tractor Pulling Rules

## With the Delaware County Fair

### GENERAL RULES:

1. Tractors 1980 and older
2. Weight classes are: 3000 lbs. to 12000 lbs. max.
3. Two wheel drive only. No duals. No steel wheels. Cut tires are OK.
4. The order of pull will be determined by the order of registration. A number indicating the class and order of the pull will be assigned to each driver at registration.
  - If you miss your class 1<sup>st</sup> call you'll be moved to the last pull in that class.
  - If you miss the final call, you will be pulled from that class with no pull and no refund will be given.
5. Registration must be paid **BEFORE** each class starts.
  - Each hook \$10 cash + Gate fee
6. All drivers & drivers' guardians must sign release form at sign up.
7. Officials decisions are FINAL
8. All class drivers **MUST** attend driver meeting 15 minutes prior to start of the pulls.
  - **Sign up starts @ 5:00 pm**
  - **Last call for sign up @ 6:15 pm**
  - **Driver meeting @ 6:45 pm**
  - **First pulls start @ 7:00 pm**

### AGE:

9. Drivers must be 16 years of age *with parent present* / 18 years old or older.

### SAFETY:

10. No alcoholic beverages permitted for pullers during pulls.
11. Drivers must obey all signals from flagmen.
12. All participants pull at their own risk.

**13.** All weights must be securely and/or bolted on.

**14.** *Safety is our outmost concern:* The Delaware County Fair Board are in no way responsible for accidents or articles lost or stolen.

**Speed:**

**15. MAX** speed is 5 mph (*low gear*)

- If you exceed speed your first signal will be given as a warning.
- If your speed exceeds again your second signal will result in a disqualification of the pull with no refund.

**16.** Max Draw bar height 18" inches.

**17.** The first pull in each class may require a sled/weight adjust and will have option for a re-pull.

**18.** Each class uses a floating finish.

**19.** Must have your own clevis for pulling.

**20.** Tractor tires must stay inside the marked boundaries at all times while pulling.

**21.** The pullers have two attempts at pull; they may change gear and may restart as long as the puller stops before the marked cones on the track. (*before the sled crosses the line*)
